

Creature Comforts

There is no public transportation to and from our workshop location, and the only store within walking distance is the lovely Historic Deerfield, Inc. Gift Shop; however they do not carry shaving cream, toothpaste, etc. If you are not staying at the Deerfield Inn or the Deerfield Academy dormitory, you will need to rent a car.

We will be spending quite a bit of time outside walking, not always on even ground. In New England this means you might want:

- insect repellent
- sun screen
- comfortable walking shoes
- an umbrella and/or other rain gear
- a hat
- a water bottle
- clothing for a range of temperatures inside and out

Summers can be quite humid, with temperatures in the 80's-90's; however evenings can be chilly so you may want to bring a sweater or light jacket. Casual attire is fine.

Our first meal together will be a picnic dinner on Sunday. Breakfast, lunch and mid-morning and mid-afternoon snacks provided every day and dinner is part of the schedule on Tuesday and Thursday. We will provide a list of restaurants that offer a delivery menu when you register on the first day of the workshop.

There is an ATM machine located in the Deerfield Inn. Please see the enclosed map for the location of the Inn.

Wi-Fi and email are available in the area. We'll have more information during registration.

Don't forget:

- your readings (including the book that we send to you)
- cell phone & electronic chargers
- some extra spending money
- toiletries and medications

Optional:

- camera
- laptop, tablet, etc.
- travel coffee mug
- a small pillow or stadium seat if hard seating is of concern to you

There is limited free time for independent sightseeing and shopping. You may extend your stay to continue exploring the area but the Deerfield Academy dormitory will not be available Friday night.
