

**2022 LIVING ON THE EDGE OF EMPIRE
NEH LANDMARKS WORKSHOP
HOUSING & MEALS FORM**

Check this box for 5 nights' lodging (Sunday through Thursday) at the Deerfield Academy dorm in Deerfield for an estimated total of \$375. (Motel and B&B prices are substantially higher than this in July.)

Based on meal costs from our 2019 workshop, we expect the fee to be approximately \$175. This includes breakfast and lunch Monday through Friday and dinners on three evenings with special programs. **Attendance at all meals is required as part of your professional development and costs will be deducted from participant stipends.** Because meals are pre-ordered and prepaid, we cannot offer the option of opting out of this stipend deduction. The caterers we work with are happy to provide special meals for those with dietary restrictions and/or food allergies.

I understand that the meal cost will be deducted from my stipend.
